

Criterion B: Record of Tasks

Task number	Planned Action	Planned outcome	Estimated duration	Completion date	Criterion
1	Discussion with computer science teacher	Ideas were generated and finalized	1 day	18-June-2020	A
2	Make an appointment to interview the client	The client described their problems and the required solution	1 day	20-June-2020	A
3	List down appropriate success criteria and client requirements	Criterion will be referred to while developing the program	1 day	21-June-2020	A
4	Create outline, design, and draft of the program and present it to the client; program design	An overview of the programs was created. A graphical representation of the solution was documented.	6 days	28-June-2020	B

	document is made.				
5	Finalize the software and resources to be used	Opted for NetBeans and MySQL	2 days	29-June-2020	B
6	Consult with the teacher before initiating development	The teacher approved the solution and software being used for the development	1 day	30-June-2020	C
7	Develop program (using NetBeans and MySQL)	A functional database program was created	13 days	30-October-2020	C
8	Present product to the teacher	The teacher suggested adding few more features to the program	2 days	1-Nov-2020	C
9	Incorporate teacher's feedback	The features were added and the program was graphically enhanced	5 days	7-Nov-2020	C
10	Update documentation	Documents regarding the program were created	11 days	22-Nov-2020	B

11	Record a video to demonstrate how to use the product	Using Windows screen recorder, a video of the product was made	1 day	11-Dec-2020	D
12	Present the final program to the teacher	The teacher was shown the improved program	1 day	16-Dec-2020	E
13	Provide the client with the program	The client was pleased with the program	1 day	18-Dec-2020	E
14	Evaluate the final product and write down recommendations for future improvements	Based on the client's comments and further requests for future updates, a document was made. The document also highlights the errors and different approaches developers can take to build a better program	3 days	27-Dec-2020	E
15	Submit all documents and	The teacher received all the documents in a zip file, which is to be	1 day	11-Feb-2021	E

	the final program to the teacher	submitted to the authority
